1 INTRODUCTION

This UAS survey, titled "UAS 156: 2018 Midterm Pre-Election tracking poll 2 of 3 (October 21-27)" is the second week of the three-week tracking poll. It focuses on voting in the midterm election and issues of relevance to that election. This survey is no longer in the field. Respondents were paid \$3 to complete the survey. The survey took respondents an average of 4 minutes, and the full distribution of survey response times is in the figure below. Times per question are available upon request.

Note: A summary of all UAS midterm polls and their documentation is provided on the Start of section **Approval**
